Electric Steam Table Sealed Wells

Standard Features

- * All wells have made of 304SS .
- * Temperature control- Individual infinted controls.
- * Heat elements- 120V 640W or 240V 1100W
- * Stainless steel die-stamped open- 12"X20",rising lip around wells can keep wells clean, easy to load and unload food pan
- * undershelf type- each wells have one out water valve.
- * cabinet type- one machine have one out water valve.
- * undershelf type- undershelf and leg all made of stainless steel l.
- * cabinet type- all made of stainless steel
- * each wells have own working ligh.
- * 8" width white poly cutting baord.
- * Our steam table have cETL us and ETL sanitation cerficaters.

Water Bath Steam Table+Ice Cold Table

Standard Features

- * Fully Insulated Wells-All four sides and bottom of wells are insulated by fiberglass.
- * Temperature control- Thermostat control.
- * Wells made of 304ss 18 gauge with drainer and outwater valve
- * Wells can put 1/1 150mm steam pan
- * Wells made of round corner, can keep wells clean
- * Top and body and undershelf and leg made of stainless steel
- * With 8" width white poly cutting board.
- * Cold pan unit function: put ice cake on the wells.
- * hot steam table: put water in the wells, and open the thermostat switch
- * Our steam table have cETL us and ETL sanitation certificates.

Gas Char Rock Broiler

Standard Features

- * Standing pilots for instant ignition
- * Uses cast iron radiants to deflect heat towards cooking surface
- * Equipped with removable angled cast iron top grates for better flame control
- * The cast iron grates can put angled or level
- * Each Burner is 35000 BTU, 3/4" rear gas connection
- * The equipment can come with stainless steel cabinet.
- * This unit is field convertible to radiant, char rock, or combination
- * includes a liquid propane gas (LP) conversion kit and regulator.
- * The equipment have cETL us and ETL sanitation certifier.
